

AarogyaPath

www.aarogyapath.in

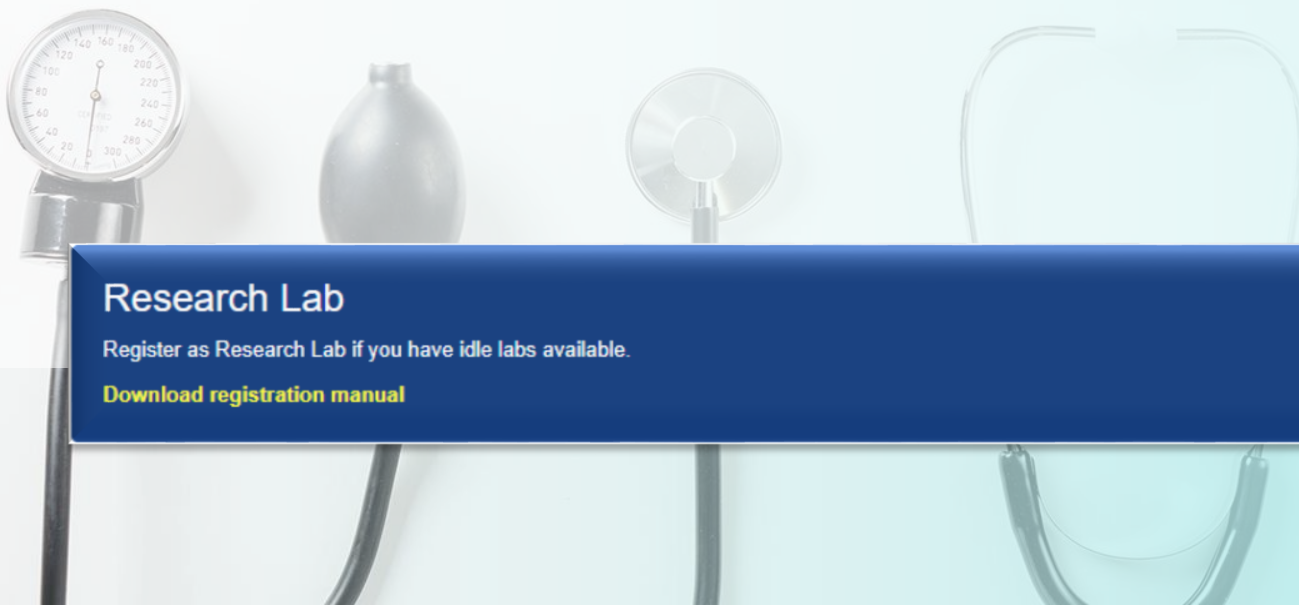

Introduction to “AAROGYAPATH” website

The vision of this initiative is to set up an information management and forecasting databases platform at national level to capture demand and supply scenarios for key items required to address the national healthcare needs in the current pandemic scenario as well as future normal and epidemic scenarios.

The intelligent back end of the platform will not only track demand and supply scenarios for items in healthcare categories but also their first-level components, using unique capabilities of the Council of Scientific and Industrial Research (CSIR), India's premiere autonomous publicly funded research organization. This holistic and comprehensive way of capturing data will help in not only ensuring availability of competitive information 24x7 for creating business opportunities but will also be helpful in effective handling of pandemics like the present COVID-19 at national level.

Steps to Register as Research Lab

(Link: <https://aarogyapath.in/Registration/ResearchLabRegistration>)

Research Lab

Register as Research Lab if you have idle labs available.

[Download registration manual](#)

Step 1: Please, go to “aarogyapath.in” website

A screenshot of the Aarogya Path website. The browser's address bar shows "aarogyapath.in" with a red circle around it. The website header includes the Aarogya Path logo, a navigation menu with links like "Offers for Customers", "Seller Opportunity", "Stakeholders", "Products", "About Us", "Contact Us", "Expert Login", and a search bar. The main banner features a collage of healthcare-related icons (hand sanitizer, hospital bed, PPE, lab, mask) and a large red heart with a white cross and a stethoscope. The text "ONE STOP SUPPLY CHAIN SOLUTION FOR YOUR HEALTHCARE NEEDS" is prominently displayed. Below the banner, a "Welcome to Aarogya Path" section contains a paragraph about the initiative's vision and purpose.

**ONE STOP SUPPLY CHAIN
SOLUTION FOR YOUR
HEALTHCARE NEEDS**

Welcome to **Aarogya Path**

The vision of this initiative is to set up an information management and forecasting databases platform at national level to capture demand and supply scenarios for key items required to address the national healthcare needs in the current pandemic scenario as well as future normal and epidemic scenarios. The intelligent back end of the platform will not only track demand and supply scenarios for items in healthcare categories but also their first-level components, using unique capabilities of the Council

Step 2: Click on the register option which is located on the top right side of the site”.

A screenshot of the Aarogya Path website. The header features the Aarogya Path logo on the left, and contact information and login/register links on the right. The "Register" link is circled in red. Below the header is a dark blue navigation bar with links for "Offers for Customers", "Seller Opportunity", "Stakeholders", "Products", "About Us", "Contact Us", and "Expert Login". A search bar is also present. The main banner has a light blue background with a large red heart and cross, and the text "ONE STOP SUPPLY CHAIN SOLUTION FOR YOUR HEALTHCARE NEEDS". To the right of the text are illustrations of healthcare supplies: a thermometer, gloves, a spray bottle, a bottle of disinfectant, and a face mask. Below the banner, there is a section titled "Welcome to Aarogya Path" with a paragraph of text and a "View Detail" button.

> Customer Registration

> Hospital Registration

Step 6: Afterwards, a login page will open, here user is requested to enter login details as received in registered mobile and **click** on “sign in” Button

The image shows the Aarogya Path login page. At the top, there is a header with the Aarogya Path logo on the left and navigation links on the right: "Request Call Back (10am-5pm IST)", "info@aarogyapath.in", "Login", and "Register". Below the header is a dark blue navigation bar with links: "Offers for Customers", "Seller Opportunity", "Stakeholders", "Products", "About Us", "Contact Us", "Expert Login", and a search bar. The main content area has a white background. On the left, there is a login form titled "Log In With Your Aarogya Path Account Details". The form has two input fields: "Mobile No*" with a dropdown menu showing "+91 Enter Registered Mobile Number" and "Password*" with a placeholder "Enter Password". Below the password field is a link "Forgot Password?". At the bottom of the form is a red "Sign In" button. A red arrow points from the top left to the login form, and another red arrow points from the "Sign In" button to the bottom right. To the right of the login form is a promotional banner for "HAND SANITIZER" featuring two bottles of hand sanitizer and the text "HAND SANITIZER" in large white letters.

Step 7: User has to **accept** the term and condition by clicking the “Accept” button

A screenshot of a web browser displaying the 'Terms And Conditions' page of the Aarogya Path website. The browser's address bar shows 'test.aarogyapath.in/Login.aspx'. The page has a dark blue header with the title 'Terms And Conditions'. The main content area is white and contains a disclaimer paragraph, a 'Grievance Officer' section with contact details, and a red 'Accept' button at the bottom right. The footer is dark grey and includes social media links, a company information table, a policy info table, and a Sarvodaya Infotech Pvt. Ltd. logo. A 'Help' button is located in the bottom right corner of the page.
